SIMPLEMENT MERCUREY

GREAT BURGUNDY WINE

Simplement was born out of the desire to introduce Mercurey to new palates: those returning to the taste of Burgundy, those newly inspired, or young adults in search of discoveries.

And so we wanted this wine to be pleasing and accessible from both a taste and price point of view.

Our desire was for it to allow a wide range of people to discover, or rediscover, this marvellous terroir which is Mercurey.

ORIGIN

« Simplement » springs from the hillsides of Mercurey.

WINEMAKING

Made with the same care and attention as all the other wines (harvested into crates, grape sorting, barrel ageing...), but without particular emphasis on extraction, and little intervention.

CHARACTERISTICS

Round, delicate and fruity, with a lightly toasted touch.

Perfect for the neophyte or for everyday pleasures.
